MEMORANDUM FOR: Charles E. Waterman  
Vice Chairman, National Intelligence Council

FROM : David Y. McManis  
National Intelligence Officer for Warning

SUBJECT : Funds for Washington Area Operations-  
Intelligence Center Chiefs Conference

1. One of our longer term projects has been to enhance the interface between the Washington Area Operations and Intelligence Centers. We have had considerable success in drawing this group together and defining community communications and information handling requirements. Now we are focussing on team building in this varied community structure.

2. NIO/Warning proposes to sponsor and facilitate a three-day Executive Team Building Training Course for the Center Chiefs. The course is administered by NSA and conducted by management consultants at commercial facilities. The maximum cost for the entire program, including instruction, lodging, food, and equipment is \$10,000.

3. Our proposed dates are 22, 23, and 24 February 1984. Request approval to accomplish this training to further our capability for warning at these critical Centers and to request funding from CIA.
